RehabOne Welcomes Richard Keyme, MD, to our Salinas & Gilroy Offices!

Dr. Keyme received his undergraduate degrees from University of

Pennsylvania with honors in both Psychology and Biomedical Science. In 2013, he graduated from the University of Illinois College of Medicine, where he was awarded the Granville A. Bennett Award for "Excellence in Medical Education." Dr. Keyme completed his Physical Medicine & Rehabilitation (PM&R) residency from Stanford University and he worked as a Stanford University Affiliated Clinical Instructor before joining RehabOne Medical Group. Dr. Keyme specializes in rehabilitation of back pain, stroke, brain injuries, and musculoskeletal injuries. He believes in a comprehensive approach to healing, treating both the mind and the body. Dr. Keyme has experience treating workers' compensation patients and performing independent medical exams (IME). He performs ultrasound guided injections, nerve conduction studies, electromyography, trigger point injections and is fluent in Korean.
