**Kelly Chon, FNP, MSN**, graduated from Dominican University with her Bachelor of Nursing Degree. She then attended and graduated from Holy Names University, in 2013, achieving a Family Nurse Practitioner Masters Degree. She has been a healthcare provider for 28

years and has diverse experience in skilled nursing, urgent care, pain management and rehabilitation focused medicine. Kelly is a member of the California Association of Nurse Practitioners and is Board-Certified with the American Academy of Nurse Practitioners. **Kelly is fluent in Korean and will treat patients in our Gilroy office.**

**Anna-Marie Regalado, DNP, FNP, MSN** believes that to cure a person of an illness is not to treat the disease or disabilities but to treat the person him/herself - one patient at a time. Her passion for caring was engrained in her since she was a child. She was a

registered nurse for 14 years, specializing in ICU/CCU care. Her healthcare experience includes urgent care, family practice and occupational medicine. She continued her education and her earned degree as a
